

Philo - Feature #121

Improvements to gilbert grids/edit mode

03/31/2011 09:14 PM - Stephen Burrows

Status:	New	Start date:	03/31/2011
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Gilbert	Estimated time:	0.00 hour
Target version:			
Description			
So that I don't forget:			
1. fieldsets for gilbert. Perhaps put them on forms rather than on model admins? Hm.			
2. double-click to open something in edit mode.			
3. foreign keys used as data columns show up as [object Object]
