

Philo - Bug #161

Website installation instructions could reference PyPI

06/16/2011 12:46 PM - Joseph Spiros

Status:	Resolved	Start date:	06/16/2011
Priority:	Normal	Due date:	
Assignee:	Joseph Spiros	% Done:	100%
Category:	philocms.org	Estimated time:	0.00 hour
Target version:			
Description			
Perhaps provide "pip install philo" as an easier way to install that doesn't require git to be installed?			

History

#1 - 08/17/2011 03:39 PM - Harris Lapiroff

pip installation doesn't work as per Issue [#177](#). I can update the website when it does.

#2 - 02/03/2012 11:25 PM - Joseph Spiros

- Category set to *philocms.org*
